Sir,

With reference to your docket No 714 / Mil 559-98-39 dated 19th July 1909, regarding the proposal to constitute the Chitaapur Town into a Municipality under the Municipal Regulation VII of 1906, I have the honor to submit herewith a revised draft proclamation in English and Kannada, explaining clearly the route of the boundary line of the town. It will be seen from the wording of the proclamation that the boundary line runs along the western boundary of Survey Nos 134, 133, 132, 131, 129 and skirting round Survey No. 125, runs again along the western edge of Survey Nos 124, 123 and 122.

2 The portion of the town to the West of the blue pencil line belongs to

the Kanur Village, and that to the east of the red pencil line (which has been drawn along side of the blue pencil line) to the Halegan village.

3 The isolated bit of land to the west of Survey No 152 coloured yellow had been originally set apart for the use of Madigars, but it has been abandoned, and the Madigars have been provided with sites on Survey No 125 to the north of the town which has also been included within the Municipal limits.

4 The plan received with the docket under reply is retransmitted for reference and kind return.

into a permanent Municipality under Sec
tion VII of 1906, no objections to the area being
included within the boundaries having been
received, it is hereby declared that from
Section 4 of the said Regulation, the town of
Shikarpur which comprises the area included
within the boundaries described below shall
here after be a permanent Municipality

Boundaries

The boundary line of the Shikarpur Town
Municipality commences from at the
boundary stone on the 1st furlong of the 31st
mile of the Shimoga Sorab Sirsi Road and runs
in a northerly direction till it reaches the
north western boundary stone of Survey No 305
of Halagur village. Thence, it takes an easterly
course along the northern boundary of the same
Survey number, and thereafter takes a
northerly direction along the western bund
of the Hushanagaswamy tank and crosses
the Honnali Shikarpur road, at the north western
extremity of the tank leaving the pond
"Jilla Honda" to the right, it takes a north
Western course along the western boundary
of Survey No 133 of Halagur Village and the
passes along the above said Sirsi
touching the western boundaries of Survey
Nos 145, 163 162, 161, & 139 . 137, 136 and

of the village, taking a north western turn & leaving behind the Local Fund Dispensary; it then passes along the Western boundary of Survey Nos 134, 133, 132, 131, 130 and 129 of the Same village. It then turns eastwards along the northern boundary of Survey No 129 and including Survey No 125, it goes in a northerly course along the western boundaries of Survey Numbers 126, 123, & 122 and meets the road coming from Basur.

2 The line thence takes a westerly course along the Southern boundary of Survey Nos 120, 16, 15, 13, 5 and 4 of the Kaliyur village and meets the Shimoga Sorab-Sirsi road at the 2nd furlong of the 32nd mile stone where the Honnali-Gulkarpur road also joins it.

3. From this point, the line descends in a Southerly direction along the boundary between Gabboor and Kasur villages to the West of Survey No 241 of the latter village and thence takes a winding course in the same direction, along the Western boundary of Survey Nos 12, 9, 6 & 4 of the latter village it reaches the Gulkarpur-Anantapur road. From here, it takes an easterly course along this road until it reaches again the Shimoga Sorab-Sirsi Road. From this point, the boundary line runs again in a Southerly direction along the Western edge of the latter road up to the starting point.
